Great Ideas Paying Off!

Do you have an idea or a suggestion to save money for the State of Wisconsin or improve the quality of state government operations and services?

If so, you are eligible for recognition and even awards for your ideas through the Wisconsin Employee Suggestion Program (ESP)!

Who is Eligible?

Any state or university employee (limited-term, part-time, full-time, project, classified, or unclassified) may submit a suggestion.

How to Get Recognized:

The Suggestion Form is at the ESP web site:

<http://SUGGEST.state.wi.us>

Or you can get a Suggestion Form from your agency program coordinator. (If you don't know who that person is, check with your Human Resources or Personnel Office.)

After completing the suggestion form, submit it to your agency suggestion program coordinator for review.
